

Family Resource Clinic Winter 2008

A Child is Born; a World is Saved!

Because of The Child, every child is precious. There was a gift for each of us over 2,000 years ago by Him whose birthday we celebrate every Christmas. This gift is withheld from no one, but many have not yet received this blessing.

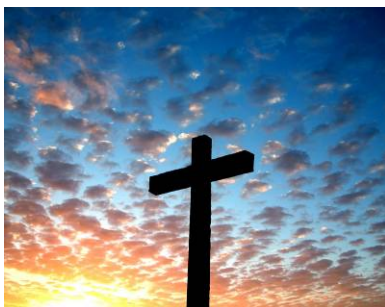

The Family Resource Clinic is praying that this season brings joy, love and peace to your family. May the precious gift sent to us from above be shared with everyone you meet!

Will you prayerfully consider what Christmas gift you can give so we may be able to continue to share Jesus, the gift of life, to all who come through our doors?

Jesus is Lord!

Looking to give that perfect gift this season?

In a world where people are lost and hurting, YOU can make a difference. By giving the gift of your time, a life can be touched forever. No matter how much time you can give, someone is in need of receiving it. Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, or the smallest act of caring, all of which have the potential to turn a life or maybe a family around.

The Family Resource Clinic has a place for you, but most importantly, WE NEED YOU! The perfect gift all year long is the gift of volunteering. Make a move to get started today. What you receive will be immeasurable!
